COPY**ASSET PURCHASE AGREEMENT**

THIS ASSET PURCHASE AGREEMENT (this "Agreement") is made and entered into as of February 13, 2003 by and between ICN Pharmaceuticals, Inc., a Delaware corporation ("Seller" or "ICN"), and New Star Lasers, Inc., a California corporation ("Buyer" or "New Star").

FOR AND IN CONSIDERATION of the mutual covenants and agreements set forth below, and for other valuable consideration received, the receipt and sufficiency of which are hereby acknowledged, the parties mutually agree as follows:

1. PURCHASE AND SALE.

On the terms and subject to the conditions set forth in this Agreement, Seller shall sell, assign, convey, transfer and deliver to Buyer all of Seller's right, title and interest in, to and under the Purchased Assets (as defined below), free and clear of any and all liens, encumbrances, security interests, charges, options and rights of others ("Liens") except for Permitted Liens (as defined below), and Buyer shall purchase the Purchased Assets from Seller, pay the Purchase Price (as defined below) and assume the Assumed Liabilities (as defined below).

2. PURCHASED ASSETS.

2.1 As used in this Agreement, "Purchased Assets" shall mean all finished CoolTouch®, CoolTouchIT™ and CoolTouch Varia™ products (collectively the "Products") held by Seller for sale ("Finished Goods") set forth on Schedule 2.1, and all related supplies, materials, spares and replacement parts, and Seller's US inventory of spares and replacement parts for its N-Lite® product line ("Inventory") together with the assets Seller acquired under the Agreement and Plan of Reorganization by and between ICN and CoolTouch Corporation (hereinafter the "CoolTouch Assets"), to the extent they exist and are still in the possession of ICN as of the date of Closing, including without limitation all of Seller's right, title and interest in, to and under the assets, properties, rights, interests and claims described in Sections 2.2 through and including 2.5 (to the extent they exist and are owned by Seller as of the date of Closing), but excluding any such assets, properties, rights, interests and claims expressly excluded under Section 3.

2.2 Contracts. All of the contracts listed on the attached Schedule 2.2 ("Assumed Contracts").

2.3 Intellectual Property Rights. To the extent they relate to the Products, are owned by Seller, and are specifically listed on Schedule 2.3, all of the following ("Intellectual Property Rights"):

(a) all patents, patent applications and patent rights, including reissues, extensions, substitutions, divisions and continuations, as registered, filed or in effect in the United States, the European Union and any other countries;

ASSIGNMENT OF PATENTS

THIS ASSIGNMENT OF PATENTS (this "Assignment") is made as of February 20, 2002 by COOLTOUCH CORPORATION, a California corporation ("Assignor"), in favor of ICN PHARMACEUTICALS, INC., a Delaware corporation ("Assignee").

RECITALS

A. Assignor and Assignee are parties to an Agreement and Plan of Reorganization dated as of January 18, 2002 (the "Agreement").

B. This Assignment is made and entered into pursuant to the Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby mutually agree as follows:

1. Assignment. Assignor hereby assigns, transfers, sets over and delivers to Assignee, and its successors, assigns and legal representatives, free and clear of all liens, encumbrances, security interests, charges and adverse claims, Assignor's entire right, title, interest, privileges, powers and benefits, for the United States and all foreign countries, in and to any and all patents, including without limitation the patents listed on the attached Annex A, and all divisional, continuing, substitute, renewal, reissue, and all other applications for, Letters Patent which have been or shall be filed in the United States and all foreign countries, and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said patents; and in and to all rights of priority in said patents.

2. Further Assurances. Assignor agrees, upon request by, without charge to, but at the expense of Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, and to execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications relating to any and all of the patents assigned hereunder; to execute all rightful oaths, assignments, powers of attorney and other papers; to communicate to Assignee, its successors, assigns, and legal representatives, all facts known to Assignee relating to said patents and the history thereof; and generally to do everything possible which Assignee, its successors, assigns and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said patents and for vesting title to said patents and all applications for patents, in Assignee, its successors, assigns and legal representatives

3. No Prior Assignments. Assignor hereby represents and warrants to, and covenants with, Assignee, its successors, assigns and legal representatives, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor, and that full right to convey the same as herein expressed is possessed by Assignor.

4. Governing Law. This Assignment shall be governed by, and interpreted in accordance with, the laws of the State of California, as applicable to contracts executed and to be performed entirely within the State of California.

5. Attorneys' Fees. The prevailing party in any action or proceeding between the parties arising out of or relating to this Assignment shall be entitled to recover from the other party all fees and expenses, including reasonable attorneys' fees, incurred in connection with any such action or proceeding.

7. Binding Effect. This Assignment shall be binding upon and inure to the benefit of the parties and their successors and assigns.

IN WITNESS WHEREOF, Assignor has executed this Assignment as of the date first above written.
